## HOOD COVER INSTALLATION INSTRUCTIONS

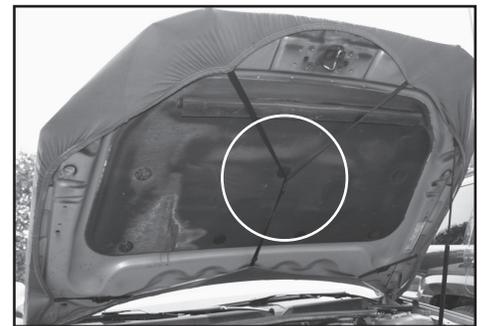

1. Ensure engine is off and cool before installing the Hood Cover.
2. Open hood to the safe and locked or supported open position in accordance with you vehicle owners' manual.
3. Loosely drape the Hood Cover over open hood. Ensure emblem is correctly positioned (see Diagram A).
4. Hook the Hood Cover under to the back corners of the hood (by the windshield).
5. Pull the Hood Cover toward the front of the hood. Hook the Hood Cover under the front corners of the hood.
6. Locate the passenger side corner fitting straps. Connect the straps using the strap fasteners (see Diagram B). Repeat for drivers' side.
7. Locate center fitting straps (see Diagram C). Connect the straps using the strap fasteners.
8. Ensure FUNERAL emblem is centered and the Hood Cover is tucked under the entire perimeter of hood. Adjust if necessary.
9. Tighten all straps to achieve a snug fit.
10. Ensure Hood Cover does not obstruct the hood safety latch. Adjust the hood cover if necessary.
11. While closing the hood, ensure excess fabric and straps are away from the engine. Adjust if necessary.
